Steven Dux Trading Techniques Torrent Download Steven Dux Trading Techniques Torrent Steven Dux (Xiuxian Du) is a day trader infamous for turning \$27,000 in \$5 million in just four years with penny stocks.

During his studies he opened a trading account and quickly became obsessed with the stock market, reading all the best books he could buy at a nearby bookstore.. From practical training like Trading Techniques, The Duxinator, to Live Events, Market Mastermind and Workshops.. The main reason for Steven's rapid progression is the extreme dedication and willingness to invest time and money.
